Export of industrial goods

307. SHRI MANOJ BHATTACHARYA: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) the details of the growth of exports of industrial goods during the last five years, year-wise and sector-wise;

(b) the impact thereof on the employment opportunities, year-wise and sector-wise; and

(c) the steps proposed to be taken to help the export-oriented industries to achieve and sustain a higher growth rate?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCEAND INDUSTRY (SHRI E.V.K.S. ELANGOVAN): (a) and (b) The details of the growth of exports of industrial goods during the last five years, year-wise and sector-wise is given with Statement (See below). This includes various employment intensive sectors like leather and manufacturers, textiles, gems and jewellery, sports goods, etc.

(c) Export Promotion is constant endeavour of the Government and a Foreign Trade Policy has been announced with the twin objective of doubling India's share of globalmerchandise trade within the next five years and also giving a thrust to employment generation. Some of the key strategies include: Simplification of procedures and reduction in transaction cost; neutralizing incidence of all levies and duties on inputs used in export production; linking commercial missions abroad through an electronic platform for trade intelligence and enquiry dissemination, identifying and nurturing special focus areas like handicrafts, textiles, gems and jewellery,etc. Besides, several export promotion schemes, such as 'Target Plus" scheme for exporters who have attained quantum jump in exports, new categorization of status holders, introduction of Free trade and Warehousing Zone etc. have been launched.
